

AN ORDINANCE approving the awarding of R.F.P. #7321 - PURCHASE OF 95' LADDER TRUCK AND I.T.B. #7323 - PURCHASE OF TWO (2) PUMPERS by the City of Fort Wayne, Indiana, by and through its Department of Purchasing and EMERGENCY ONE AND LUVERNE FIRE APPARATUS for the FORT WAYNE FIRE DEPARTMENT.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FORT WAYNE, INDIANA;

SECTION 1. That R.F.P. #7321 - PURCHASE OF 95' LADDER TRUCK AND I.T.B. #7323 - PURCHASE OF TWO (2) PUMPERS between the City of Fort Wayne, by and through its Department of Purchasing and EMERGENCY ONE AND LUVERNE FIRE APPARATUS for the City of Fort Wayne for the Fort Wayne Fire Department, respectfully for:

for the purchase of a 95' ladder truck and related equipment and for the purchase of two (2) pumps and related equipment for the Fort Wayne Fire Department;

involving a total cost of Nine Hundred Sixty-Three Thousand Nine Hundred Seventeen and no/100 Dollars (\$963,917.00)-(RFP#7321-EMERGENCY ONE, \$584,693.00; ITB#7323-LUVERNE, \$379,224.00), all as more particularly set forth in said R.F.P.#7321 AND I.T.B. #7323, which is on file in the Office of the Department of Purchasing, and is by reference incorporated herein, made a part hereof, and is hereby in all things ratified, confirmed and approved.

SECTION 2. That this Ordinance shall be in full force and effect from and after its passage and any and all necessary approval by the Mayor.

FORT WAYNE, INDIANA 46803

October 15, 1996

Fort Wayne City Council Members

Dear Council Members,

The Fort Wayne Fire Department is purchasing one 95' aerial platform from the Emergency One Corporation in an amount not to exceed \$564,368. Emergency One was the lowest most responsive bidder of 1 bidder to bid for this given ladder truck.

The 95' aerial platform will be replacing a 1969 Ward LaFrance 70' aerial platform. This truck was retired in early 1996 due to age and mechanical difficulties. I have been informed by our shop mechanics it is no longer economical to repair this truck for service.

The Fire Department is looking to take receipt of a stock ladder truck, if one available, upon approval of the purchase. If a stock vehicle is not available, then a standard stock truck will be manufactured for the Fort Wayne Fire Department. It is estimated that the manufacturing will take approximately 180 days from date of contract.

A city the size of Fort Wayne should have 5 ladder trucks in service. We have been operating with 3 ladder trucks for many years. Due to the recent retirement of two early 1970 vintage ladder trucks, we are responding with two ladder trucks, one north and one on the west side of town. This results in increased response times and increased wear and tear on existing ladders due to the long distance and the number of responses they must make. We currently have no reserve ladder trucks available. In the event one of the two available trucks are out of service we will be down to one ladder truck servicing the City of Fort Wayne. I am therefore requesting approval for the purchase of the 95' aerial platform by Council Members.

Thank you,

Steven C. Hinton
Fire Chief

October 15, 1996

Fort Wayne City Council

Dear Council Members,

The Fort Wayne Fire Department is requesting the purchase of two pumpers at an individual cost of \$175,982. for a total cost of \$351,764. Funding for one of the pumps will come from unspent funds from the Station 13 construction money. The pump will be assigned Station 13 replacing a 1985 pumper. The 1985 pump will be moved from active duty to reserve status.

Funding for the second pump will come from 1996 equipment lease approved earlier by Council. The second pump replaces a 1985 pump currently assigned to Station 7. The 1985 pump will be moved from active duty to reserve status. One 1975 Mack which is currently in reserve status will be retired and removed from service pending disposal.

Implications if the two trucks are not purchased is that the 1985 trucks will be continued to be used as front line active pumps.

Thank you for your approval for the purchase of the fire trucks.

Sincerely,

Steven C. Hinton
Fire Chief

DIGEST SHEET

TITLE OF ORDINANCE: Special

DEPARTMENT REQUESTING ORDINANCE: Purchasing

SYNOPSIS OF ORDINANCE: An ordinance approving the award of R.F.P. No. 7321 for the purchase of a 95' ladder truck and related equipment and I.T.B. #7323 for the purchase of two (2) pumps and related equipment all for the Fort Wayne Fire Department.

IF NOT LOWEST, WHO WAS AND WHY WERE THEY NOT AWARDED:

EFFECT OF PASSAGE:

Under R.F.P. #7321 the Fire Department is purchasing a 95' aerial platform truck and related equipment. If a stock ladder is available it will be purchased, if not, a ladder will be ordered and built.

Under I.T.B. #7323 the Fire Department is purchasing two (2) pumps and related equipment. One (1) pump and equipment will be funded from unspent funds from Station 13 construction. This pump will also be assigned to Station 13 replacing 1985 pumper. Funding for the 2nd pump will be from the 1996 equipment lease approved earlier by Council. The 2nd pump replaces 1985 pump at Station 7.

IF REPLACEMENT, WHAT NECESSITATES:

Under R.F.P. #7321 the 95' ladder truck will replace a 1969 Ward La France retired in early 1996 due to age. It is no longer economical or worth repairing this truck for service.

Under I.T.B. #7323 the 1985 pumps will be moved from active duty to reserve status. One (1) 1975 Mack has been retired and removed from service pending disposal.

EFFECT OF NON-PASSAGE:

R.F.P. #7321 - A City the size of Fort Wayne is recommended to have five (5) ladder trucks in service. We have been operating with three (3) trucks for several years. Increased response times and additional wear on existing ladders can be expected if a new one is not purchased.

I.T.B. #7323 - The 1985 pumps will continue to be used as front line active pumps.

MONIES INVOLVED: Emergency One \$584,693.00
 Luverne Fire Apparatus \$379,224.00

PRICE AGREEMENT: PURCHASE ORDER: Yes

SOURCE OF FUNDING: Fire Department

 1996 Fire Equipment Lease \$774,305.00
